

Social Section

Last Updated Wednesday, 12 April 2017

We currently host a thriving social section with a variety of events held throughout the year such as the Pre-season dinner, Cocktail evening, Bonfire night. These events raise a lot of money, with every penny going back into the club to maintain facilities and fund the cricket side of the club.

To stay up to date with events please see the "Forthcoming Club Events" on the left hand side of the website or the Social Notice board in the club.

These social events are organised and held by the Social Committee, which is chaired by John Fielden. We are always on the look out for willing volunteers to help organise these events, if anyone is interested please contact John on 0161 643 4328 or on john.fielden@ntlworld.com.
