

Easter Family Fun Day

Sunday, 16 April 2017

So today is the last day of our amazing Beer Festival and as well as the 3rd XI team playing a friendly at home, we have some amazing activities for the children.

Don't worry about the weather either, because there's lots to keep your little, and not so little, ones entertained this afternoon. The fun starts at 2pm and here's a list of what we'll be doing. Lots of prizes to be won so make sure you enter everything!

Outdoors

- Easter Egg Hunt to challenge your child's instincts to sniff out an extra chocolate egg or two.
- Easter Egg and Spoon Race for those with a steady hand and desire to win.

Indoors

- Create a masterpiece by colouring a beautiful Easter picture
- Test your knowledge on the Easter crossword
- How many Easter words can you count?
- Chick symmetry challenge! Can you complete it?
- Who will make the best decorated egg? Add some colour and sparkle to the polystyrene eggs!

Look out for pictures of the fun and laughter on our Twitter page @middletonccnews and find us on FaceBook too. Remember to post your own pics of your day. We look forward to welcoming you to the club.

Local club for local people.
